

**SOCIETY FOR NEUROCHEMISTRY, INDIA  
(SNCI), DELHI LOCAL CHAPTER**

**Organizes  
A One Day National Symposium  
On**

**NEUROCHEMICAL LEGACY OF  
NEUROLOGICAL DISORDERS:  
BRAINSTORMING OF NOVEL  
APPROACHES**

**Sponsored by: DST PURSE,  
Government of India**

**9<sup>th</sup> of March 2022**

Last date for Registration - 6 March 2022

VENUE

CONVENTION CENTRE, JAMIA HAMDARD

**SCIENTIFIC PROGRAMME**

The symposium will emphasize the demand of escalating the assimilated findings to be particularly and effectively exploited in the battle of unconquered brain health issues. The abstracts are invited for the following themes for poster/oral presentations:

Neurological Disorders, Neuro-oncology, Computational Neurobiology  
Neurotoxicology, Neuro Immunology, Neurochemistry, Learning and Memory

**CALL FOR ABSTRACT AND POSTER PRESENTATIONS**

Young scientists are invited for oral and poster presentations. Original and published work in all the areas of Neurosciences and toxicology will be entertained and desirable for acceptance.

**Abstract submission guidelines for Participants and Speakers:**

A well-defined title, authors with surname followed by initials and affiliations. Departmental name with the host University/Institute with correspondence name and address. Preference will be given to the published work in both poster and oral presentations.

The abstract should be submitted online in MS-word format, font style-Times New Roman, font size- 12 with 1.5cm line spacing with maximum and not exceeding more than 250 words.

**Poster submission guidelines:**

The size of the poster should not exceed 36x24 inches. Single authors are eligible for the submission.

**Oral Presentation Guidelines:**

Selected abstracts for oral presentation will be given 12 Minutes; 10 minutes for presentation and 2 minutes for discussion. The presentation should not exceed 10-12 slides.

If candidates are interested in both the oral and poster presentations, then the selection criteria will depend upon the empty slots.

**Society for Neurochemistry, India (SNCI) Awards:**

Society for Neurochemistry, India has instituted awards to recognize the contributors of young researchers working in the area of Neurosciences / Neurochemistry through this program. Several awards will be given to the participants in both the areas (oral and poster presentations) Sponsored by DST PURSE.

**Registration Details of the Symposium:**

There are three categories of participants:

- A) Master Students
- B) Doctoral and Post-doctoral Researchers
- C) Faculty Members

**REGISTRATION CHARGES**

Categories	SNCI Members (INR)	Non-SNCI Members (INR)
'A'	500	600
'B'	750	1000
'C'	1000	1500
On the Spot	2000	2500

**JAMIA HAMDARD**

The history of Jamia Hamdard began with the establishment of a small Unani clinic in the year 1906 by Hakeem Hafiz Abdul Majeed, a practitioner with the vision of making the practice of Unani medicine a scientific discipline. In 1972, Hamdard College of Pharmacy was setup with the objective of providing education and training in all branches of Pharmacy, which was given the Deemed University status in the year 1989. Currently, Jamia Hamdard is engaged in imparting high quality teaching and research in the disciplines of Pharmacy, Science, Medicine, Nursing, Management, Information Technology, Allied Health Sciences, Islamic studies etc. In recognition of its excellent and academic achievements: Jamia Hamdard has been accredited with:

'A' Grade by National Accreditation and Assessment Council (NAAC)  
Ranked 18<sup>th</sup> amongst the top 100 universities in India by NIRF, Govt. of India  
Ranked 1<sup>st</sup> in Pharmacy by NIRF, Govt. of India  
Ranked 15<sup>th</sup> in Medical by NIRF, Govt. of India

**DEPARTMENT OF TOXICOLOGY**

The Department of Medical Elementology and Toxicology is one of the few Departments in India having full-fledged academic programme at Postgraduate and Doctoral levels in Toxicology. The Department has made its mark in toxicological research and has been supported by the Department of Science and Technology (DST) through Fund for Improvement of S&T Infrastructure in Universities & Higher Educational Institutions (FIST) programme and University Grants Commission (UGC) Special Assistance Programme (SAP). Ph.D degree in Toxicology is being awarded in different fields of toxicology.

The Department has received funding support from agencies such as Council of Scientific and Industrial Research (CSIR), Central Council for Research in Unani Medicine (CCRUM), Department of AYUSH, Department of Biotechnology (DBT), Department of Science and Technology (DST), Indian Council for Medical Research (ICMR), Ministry of Environment and Forests and UGC. More emphasis is given to develop academic and research skills of the students.

**SOCIETY FOR NEUROCHEMISTRY, INDIA (SNCI)**

SNCI was established in 1979 with an essential goal of promoting and understanding neurochemistry through discussions and training. Keeping this goal in mind, SNCI has been organizing Annual Meetings consisting of national and international conferences and workshops. These meetings have received worldwide attention and the attendees have included leading experts from around the world related to the field of neurochemistry and allied fields. In addition, past speakers have presented their latest scientific works which have been attended by a wide variety of audience. Further, past attendees have been able to exchange ideas, discuss current developments and create potential collaborations at these meetings.

**ORGANISING COMMITTEE**

<b>PATRON</b>	<b>Prof. (Dr.) Mohammad Afshar Alam</b> Vice-Chancellor, Jamia Hamdard
<b>CO-PATRON</b>	<b>Prof. (Dr.) Shakir Ali</b> Dean, School of Chemical and Life Sciences, Jamia Hamdard
<b>ORGANIZING COMMITTEE CHAIRPERSON</b>	<b>Prof. S. Raisuddin</b> Head, Department of Toxicology School of Chemical and Life Sciences Jamia Hamdard
<b>ORGANIZING SECRETARY</b>	<b>Prof. Suhel Parvez</b> Department of Toxicology, SCLS Jamia Hamdard
<b>JOINT ORGANIZING SECRETARY</b>	<b>Prof. Mohd. Mumtaz Alam</b> Department of Pharmaceutical Chemistry SPER, Jamia Hamdard
<b>TREASURER</b>	<b>Dr. Basir Ahmad</b> Department of Toxicology, SCLS Jamia Hamdard
<b>ADVISORY COMMITTEE</b>	<b>Prof. M. K. Thakur</b> Banaras Hindu University <b>Prof. Rita Christopher</b> National Institute of Mental Health and Neurosciences <b>Prof. B.N. Mallick</b> Amity University <b>Prof. Prakash Babu Phanithi</b> University of Hyderabad <b>Prof. Pankaj Seth</b> National Brain Research Centre <b>Dr. Rajpal Singh Kashyap</b> Central India Institute of Medical Sciences
<b>SCIENTIFIC COMMITTEE</b>	<b>Prof. M. Sarwar Alam</b> SCLS, Jamia Hamdard <b>Prof. M.Z. Abdin</b> SCLS, Jamia Hamdard <b>Prof. Kalim Javed</b> SCLS, Jamia Hamdard <b>Prof. Shahid Umar</b> SCLS, Jamia Hamdard <b>Prof. Rana Zaidi</b> SCLS, Jamia Hamdard <b>Prof. Nilanjan Saha</b> SCLS, Jamia Hamdard
<b>REGISTRATION</b>	<b>Dr. Mohammad Ahmed Khan</b> Department of Pharmacology, SPER, Jamia Hamdard
